

Table of Contents

Botany Introduction	1
Chapter 1: Plant Growth and Care	2
Preservation of Plants	2
Propagation of Plants	4
Horticulture: the Care of Plants	6
Plant Care Schedule	7
Introducing Plants to the Classroom	9
List of House Plants	10
Chapter 2: Second Great Lesson	14
The Story of the Coming of Life	14
Chapter 3: Classification of Plants	17
Concept Development: Living/Nonliving.	17
The Domains	20
The Five Kingdoms.	23
Concept Development: Plant/Animal	30
Chapter 4: The Story of Plants	32
Chapter 5: Botany Nomenclature	35
<i>Plant</i>	
Parts of the Plant	35
<i>Root</i>	
Parts of the Root	39
Types of Roots	42
Phylum Chordata	45
Shapes of the Taproot	46
<i>Stem</i>	
Parts of the Stem	49
Types of Stems	53
Stem Length	56
<i>Leaves</i>	
Parts of the Leaf.	60

Types of Leaf Venation	67
Types of Leaf Margins	70
Shapes of the Dented Margins	72
Types of Dented Margins	75
Types of Leaf Blades	79
Types of Compound Leaves	82
Types of Leaf Attachments	85
Types of Leaf Arrangement	87
Shapes of the Entire Margin	90
The Flowers	
Parts of the Flower	95
Parts of the Stamen	99
Parts of the Pistil	102
Types of Ovary Positions	105
Complete Flower and Incomplete Flowers	108
Perfect Flower and Imperfect Flowers	111
Fused or Separate Flower Parts	114
Types of Sepals	118
Types of Flower Symmetry	120
Shapes of the Corolla	122
Types of Flower Positions	126
Types of Flower Arrangements	128
Types of Inflorescences Flower Arrangements	130
Pollination and Fertilization	134
Fruit	
Parts of the Fruit	136
Types of Fruit	139
Types of Succulent Fruit	141
Types of Simple Succulent Fruit	143
Types of Dry Fruit	146
Types of Dry Dehiscent Fruit	148
Types of Dry Indehiscent Fruit	151

Seed

Parts of the Seed 154

Types of Seeds 159

Parts of the Monocotyledon Seed 161

Parts of the Dicotyledon Seed 165

Germination Process 169

Monocot and Dicot Angiosperm Plants 173

Monocotyledon Angiosperm. 175

Dicotyledon Angiosperm 178

Chapter 6: Analysis of a Plant 181

Analysis of Root 182

Analysis of Stem. 183

Analysis of Leaf 184

Study of Leaf - Review 186

Analysis of Flower 188

Analysis of Fruit 190

Chapter 7: First Knowledge of the Plant Kingdom 191

Pictures and Labels 191

Pictures, Labels, and Stories. 193

Research Questions With All Pictures 194

Research Questions With One Picture. 196

Plants From the Continents 200

The Classification of Plants: Taxonomy 201

Materials List 206

Recommended Reading 209

Additional Titles 210
